Student Engaged

We work with your student services director to curate the perfect painting opportunity for your students. There should always be an option for artistic expression on campus and our art hours are perfect for your on campus fun.

Student Enrichment

Afterschool & Summer Programming are the anchors to ensure students have an outlet to gain valuable lessons that spill over into the classroom. We work with your Youth Team to boost your average daily attendance and provide Art Education to enhance a students awareness. Our rates are flexible and we can work with various budgets.

Teambuilding

Whether it's a teacher inservice or appreciation fellowship, our programs provide faculty, staff, and teams a few hours of fun, engagement, and connectivity. Your team will leave pumped and ready to tackle the rest of the school year.
